About the Virtual Walk of Hope

Through September and early October, RESOLVE will launch a series of activity challenges in the app, MoveSpring. Participants will walk, run, ride, and more in support of the family building community while fundraising for RESOLVE’s mission. The challenges will culminate in October with a week of celebrations which will include special recognition of the in-person Walks that would have otherwise been in-person but were postponed due to COVID-19; Dallas, Chicagoland, Colorado, New England, Northern California, and Washington D.C.

How to Participate

- Become a SPONSOR!
- PROMOTE the event to your patients, clients, friends, and family.
- DONATE and invest in RESOLVE’s important awareness campaigns, state and federal advocacy initiatives, and our many support programs.

About RESOLVE

RESOLVE: The National Infertility Association, established in 1974, is dedicated to ensuring that all people challenged in their family building journey reach resolution through being empowered by knowledge, supported by community, united by advocacy, and inspired to act.

VISIBILITY

You will receive exposure in the community you serve. Through digital branding and marketing opportunities. Your company will be spotlighted as a supporter of this important cause.

ADVOCACY

Your financial support benefits RESOLVE’s work at both the national and local levels through patient support, education, and public policy.

COMMUNITY

Raising awareness about infertility is important to building a community of support for those on this journey. Instead of an in-person Walk, supporters will be encouraged to walk, run, or ride separately but together to support all people challenged in building a family.

RESOLVE will recognize the investment our sponsors make in supporting our mission through a variety of virtual acknowledgements.
