

**Infertility  
is a disease  
that affects the  
reproductive  
system.**

THE NATIONAL INFERTILITY ASSOCIATION

**The World Health  
Organization (WHO)  
recognizes infertility  
as a disease.**

THE NATIONAL INFERTILITY ASSOCIATION

**#1 barrier to  
medical  
treatment for  
infertility is cost.**

THE NATIONAL INFERTILITY ASSOCIATION

**Start with  
hope, finish  
with  
RESOLVE.**

THE NATIONAL INFERTILITY ASSOCIATION

**RESOLVE partners  
with Inspire.com to  
bring a free online  
support community  
to those in need.**

THE NATIONAL INFERTILITY ASSOCIATION

**1/3 of  
infertility is  
attributed to the  
male partner.**

THE NATIONAL INFERTILITY ASSOCIATION

**1/3 of  
infertility is  
attributed to the  
female partner.**

THE NATIONAL INFERTILITY ASSOCIATION

**1/3 of infertility  
is attributed to  
both partners or  
is unexplained.**

THE NATIONAL INFERTILITY ASSOCIATION

**1 in 8 couples  
has trouble  
getting or staying  
pregnant.**

THE NATIONAL INFERTILITY ASSOCIATION
