

What will RESOLVE do with Do-it-Yourself (DIY) Walk of Hope & DIY Fundraising Event Dollars?

Contributions help us to achieve:

- **\$25** covers the daily cost of monitoring state legislation to ensure that no bills are passed that threaten family building options such as IVF, adoption & surrogacy. (A total cost of \$175 per week; \$750 per month.)
- **\$60** supports one day of RESOLVE's HelpLine program - a free service to those in need of one-on-one support.
- **\$125** underwrites the cost for RESOLVE to recruit & train one media volunteer to present positive images & accurate information to the media regarding infertility & adoption issues.
- **\$150** covers the online costs to instantly mobilize grassroots support when legislation threatens family building options.
- **\$250** covers the daily cost of keeping the RESOLVE website fresh with education & support resources on family building options for women & men with infertility. (A total cost of \$1,750 per week.)
- **\$425** underwrites the cost of arming a RESOLVE advocate to fight for financial relief through changes in public policy.
- **\$500** underwrites recruiting & training a volunteer to offer one new RESOLVE support group in a community with no local RESOLVE services.
