Current standards of the FASB require that contributed services be recognized and recorded. The following criteria must be met: (1) the donation must be useful; (2) the service creates or enhances a non-financial asset; and (3) the services require specialized skills and are provided by individuals with those skills.

Providing in-kind services and materials require review and approval from RESOLVE staff prior to acceptance. Only signed, approved donation forms are acceptable as acknowledgement of in-kind donations.

2. Provide detailed information related to the description of the item or service being donated. For printing donations, include specific number of pages, packets or other items that are being considered. For other material items, include specific quantities being considered. No financial donations are considered in-kind donations.
3. The Estimated Fair Market Value (FMV) must be completed by the donor. RESOLVE cannot place a FMV amount or interpret the value of any non-financial donations.
