THE NATIONAL INFERTILITY ASSOCIATION

In partnership with the
Minnesota Building Families Coalition

REGISTER NOW!

Minnesota Advocacy Day

February 14, 2024

Saint Paul, Minnesota

8:00 am - 4:00 pm

Minnesota State Capitol

Scan barcode with your phone
camera to learn more and get
involved

RESOLVE will make your appointments for you
and make sure you have everything you need
for this important day.

What we are advocating for:

- Requiring coverage for infertility diagnosis and treatment, including in vitro fertilization (IVF)
- Requiring coverage for fertility preservation for people at risk of infertility due to a medical condition or treatment, such as chemotherapy for cancer treatment
- Inclusive language for LGBTQ+ families
- Protection against exclusionary and discriminatory insurance coverage for infertility
